estate investor; Karlina, a sexy, intelligent beautiful secretary. What you'll find in this story; a cast of remarkably impressive and engaging characters, fabulous story-line, picturesque and powerful vivid scene descriptions, fantastic banter, camaraderie, family love, gut-wrenching moments, emotions spiral, earth-shattering toe-curling sensual romance, and a heart warming conclusion leaving you wanting more. Karlina first sees Sean at a coffee shop and can't take her eyes off him. Not speaking to her Sean leaves his business card and cash to buy her coffee with the barista. Feeling shy she never calls him. Needing money to supplement her part-time job Karlina takes a job with an escort service to be a pretend girlfriend, and to her surprise Sean is the pretend boyfriend. The attraction that started at the coffee shop flourishes into something more and they start dating. Both have trust issues with relationships; having been hurt by their exs. Karlina catches Sean with his real-estate assistant at his home and breaks up with him not giving him a chance to explain. Sean wants Karlina back and will do everything he can to capture her heart forever. FANTASTIC-fast paced well written read by a truly gifted author. The fusion of authenticity and fantasy make this an awe-inspiring story. The author does not disappoint with an intriguing plot and exhilarating dialogue keeping you hooked from start to finish. The author also shows how communication and trust is imperative in a loving lasting relationship. The romance between Sean and Karlina is fiery and filled with devotion. I enjoyed this story, a most gratifying read. If you treasure fantasy romance this is certainly a terrific book for your library. {I was gifted this book and this is my completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this book.
