Unseduced by this bookVon Helen HancoxLady Aimee Daventry, now 19, has recently been plagued with dreams of

the shocking event ten years before when she witnessed her mother being murdered. Immediately after the event she was unable to recall the actual events and it's only now, a decade later, that they are beginning to trickle back in her dreams. Aimee's sleep is regularly disturbed and she's not feeling too well. Added to this is the reappearance in her life of Royce Grenville, Viscount Stonehurst. A year before Aimee declared herself in love with him after many years of friendship - and he completely rejected her. However for someone uninterested in her he seems to care a surprising amount and when Aimee's life appears to be in danger she goes to stay at his remote Cornwall home with a chaperone. But the distance from London may not be enough to keep Aimee safe and the evidence of Royce's difficult and perhaps cursed life isn't enough to keep her from trying to help him and to spend time with him. As Aimee's memories return she begins to realise that the events surrounding her mother's death are closer to home than she might have thought. This was a reasonable if unremarkable book. The plot of the murder and the way it was gradually solved wasn't particularly surprising - the main culprits were fairly easy to spot as the book progressed. The relationship between Aimee and Royce felt rather uneven and wasn't entirely convincing, and neither was his belief that he is cursed. His behaviour was also rather questionable in terms of a viscount seducing the daughter of a marquis without any apparent thought for the consequences or suggestion of 'doing the right thing'. Historical accuracy was variable with dialogue regularly peppered with americanisms and the choice of names often unsuitable for this period. Despite these criticisms there wasn't anything dramatically wrong with this book, equally there wasn't anything particularly interesting about it. It felt rather like one of many also-rans in a wide field of runners within this genre. Originally published for Curled Up With A Good Book Helen Hancox 2008

Kurzbeschreibung What woman could resist such a passionate protector as Royce Grenville, Viscount Stonehurst? Certainly not I, Lady Aimee Daventry. Ten years ago, I was the sole witness to my mother's scandalous murder. Now the memory of that fateful day has begun to haunt my dreams. And only I can finally bring the fiend to justice . . . if he doesn't find me first. With my life in grave danger, Royce is only too willing to watch over me. The last time I saw Royce I was just a girl. I was drawn to him even then, though he returned from war with dark secrets of his own. I've sworn that nothing will keep me from avenging my mother . . . but with my desire for the devastatingly handsome Royce raging out of control, how can I resist the perfect seduction? Synopsis Lady Aimee Daventry has been haunted for years by her mother's murder. Armed with a resolve to discover the truth, she sets out to unearth her lost memories of that long ago evening, only to find that someone out there doesn't want her getting too close. And when her search puts her very life at risk, in steps the scarred and enigmatic Viscount Stonehurst. Wounded on the battlefields of war, Stonehurst has long kept everyone around him at a distance, but he cannot help but feel compelled to offer his protection to the young woman who once befriended him in spite of his brusqueness and disfigurement. Surely, he can ignore whatever inconvenient feelings of attraction that she seems capable of arousing in him in order to keep her safe? Aimee, however, has other ideas. While seeking refuge behind the walls of his cliffside estate, she sets out to heal his wounds, even as she tempts him to give in to the desire that grows stronger between them every day. She is determined that she will somehow make this stubbornly infuriating man see that it is not only his protection she needs, but his fierce and passionate love as well.
