Wanting more!Von witchflameThose book is no stand alone....but a quick read before heading to work. I love the character of Emma.... and can understand Lorenzo. Waiting for the next parts....sigh.....those teaser almost killed me!

KurzbeschreibungONE NIGHT.It was only supposed to be one night... How did it turn into so much more?Emma Waterhouse doesn't have time for guys. College classes and fun with her roommates are more than enough to keep her busy. But when her roommates drag her out for a night of drinking and dancing, she's ready to let loose for one night and break all her own rules.Lorenzo Romano is the hottest guy Emma has ever seen and he seems to only have eyes for her. Is he too good to be true? What can one night hurt? One night of hot, mind-blowing action with Lorenzo will be enough, right?Things take a turn when Emma realizes she's in over her head. There's more to Lorenzo than meets the eye. And one hot night has left her in a world of trouble.This is Volume 1 of a 5 volume serial. Volume 2: Undone, Volume 3: Heir Apparent, Volume 4: Laying Claim, and Volume 5: Belonging are now available.
