Tolle Fortsetzung Von BookLove Ich war berrascht, wie sehr mich die Geschichte um Ari und Rafe gefesselt hat. Die Autorin hat eine wundervolle Art, die Story zu erzhlen, ohne dass man das Gefhl hat, dass es knstlich in die Lnge gezogen wird. Anders, als bei den Vorgngern der Reihe wird im dritten Band noch mehr auf Lia und Rachel eingegangen, was ich super fand, da man doch neugierig war, wie es bei ihnen weiter geht. Zum Inhalt: (keine Sorge, kein Spoileralarm)

Rafe kommt endlich zur Vernunft und möchte Ari zurück, die macht es ihm aber natürlich nicht leicht. Auch Shane kämpft um Lia, hat es aber auch schwer, bei ihr zu landen und auch Rachel findet ihren vermeintlichen Prince Charming. Mehr wird erstmal nicht verraten, aber lässt euch gesagt sein, dass es jede Menge Drama und Action geben wird. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Relaxing weekend story Von Leseratte Nice story for dreamers. Good to read on bad weather weekend. Nice closure of the series. One just need to read it by himself and I don't like to expose to much.

Kurzbeschreibung At the end of Submit, Arianna Harlow had enough pride in herself to walk away from Rafe Palazzo, who had started their relationship using blackmail. Though she'd fallen in love with him, she was strong enough to say goodbye. We saw the softer side of Rafe, especially toward the end, but it was too late. Or was it? Seduced begins almost two years after Ari starts her new life. She is teaching at a community college, and when she asks the class whether they have any questions for her, Rafe is there and has only one: Will you go on a date with me? What is Ari's answer? You'll find out in the third installment of Melody Annes New York Times best-selling series, Surrender. Along with Ari's story, we will see what happens when Shane and Lia become trapped together on an island when a tropical storm hits, and how the sparks will fly again. And we can't forget about Rachel Palazzo, who isn't looking for love, but finds it in a shocking way. This story continues the lives of Ari, Lia and Rachel. These three women are resilient, determined, and worth loving. The question is, whether the men in their lives strong enough to keep them.
