release date. The books are fun and hot, can be read as stand alone but i really highly recommend to read the whole series. Ty and Lo are the perfect couple. He is everything i would want in a man....fun, totally devoted to her but still a little alpha. She is a strong woman and will keep going no matter what her life puts in path. Thanks Kristen

**Kurzbeschreibung** In the second book in the Love Under the Big Sky series from this New York Times and USA TODAY bestselling author of the With Me in Seattle series, life in Montana gets spicy when a woman and her divorce lawyer sign off the papers and sign on to love. Now that his best friend, Josh, has happily settled down with his true love on a Montana ranch, small-town lawyer Ty Sullivan starts thinking that maybe single life isn't all it's cracked up to be. And when Lauren Cunningham's no-good ex-husband comes after her for an unexpected trust fund, Ty steps in to protect her. But soon he can't help but think of her as more than a client. Lauren is in no mood to jump into another relationship, so how can Ty convince her that her mistake wasn't getting married, but marrying the wrong guy? **Pressestimmen** "Sizzling...Kristen Proby's enthralling novel is filled to the brim with one hardworking family's triumphs and challenges, all the wild adventure of the modern West, and a whole lot of titillating fun."
