Von Amanda Quick : Seduction (Bantam Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seduction (Bantam Historical Romance):

KundenrezensionenHilfreichste Kundenrezensionen7 von 8 Kunden fanden die folgende Rezension hilfreich. They both needed a healing of the heart . . . Von MandyAnd Sophy Dorrington and Julian, Earl of Ravenwood, find that the

healing power they needed could only be found through their love in Amanda Quick's, *Seduction*. Betrayed long ago by a faithless wife, Julian wanted a second Countess who would bear him an heir and cause him no trouble. He vowed to never trust a woman again. Having watched her innocent sister be seduced and discarded, Sophy wished to never marry. Though she'd loved Julian for years, the haunting memory of her sister's ill fate would stand in the way of her trusting him. Married for convenience, these two fashion a love that will touch your heart and fill you with warm, fuzzy feelings. Once again, Amanda Quick has done an excellent job of shaping two characters that are humorous, well-rounded and charming. Julian is overconfident, dynamic, and commanding, yet you are drawn to him because you can see that his first wife, Elizabeth, has caused him to harden and change into a man scared to love. Sophy is the very picture of early feminism at it's best. She is smart, headstrong, daring and honorable while retaining the qualities that make her a woman. Watching these two match wits is entertaining and delightful. Not only are the main characters first-rate, the secondary characters are enchanting. Julian's aunt and her companion are adorable and Sophy's friends are the perfect compliment to the story. Unlike other books by Amanda Quick, the mystery is not the driving force and although it is intriguing, it does not come into play until almost the very end of the book. The essence of this story is the love between Sophy and Julian. Watching them grow and change is extraordinary and poignant and when the book is finally over, you're left with a smile on your face. This is a fine example of Amanda Quick at her all-time best.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Delightfull!!! Von Ein Kunde This is one of Miss Quick's best books and as always it is very easy to fall in love with her characters and identify with them as they encounter the joys, struggles, and hardships of love. My only "complaint" to Miss Quick is that she made me long for a sequel to this book, in which she deals with the Ravenwood's best friends, Lord Deargate and Miss Silverthorn, whose mysterious relationship leave you longing to know more about what will eventually happen between them. And also as is the case with such memorable characters as Julian and Sophie, it is no hardship to hear about them again. Once more I repeat that this is a great book and it supplies a joyous afternoon of reading.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Captures your attention until the end! Von Ein Kunde A friend introduced me to Amanda Quick's books and historical romances on a whole. Since then she has become my favourite. I have read the 3 Ds, Ms, Rs, Ss, and 1 A. Above all, "Seduction" was my favourite. There is so much there to appeal to the readers. Any sequels on the horizon for Lord Daregate and Ann? Surely hope so!

Kurzbeschreibung Townsfolk called him devil. For dark and enigmatic Julian, Earl of Ravenwood, was a man with a legendary temper and a first wife whose mysterious death would not be forgotten. Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorrington is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The other reason was dearer to her heart, but just as wild a quest: Sophy Dorrington intended to teach the devil to love again.

From the Paperback edition.
