About damn time Alex and Ashleigh get their act together! Loved how Ash demanded that Alex shows his real personality. And it's funny to see how she's interested in

Sam and Sierras stories, but finds out it's nothing her style. I never thought Truth or Dare can be so hot! I really wanna play it with this group of people :P And is it bad when I say I can relate to Sam and Sierra a lot? Insatiable beasts released by the men in their lives! SO HOT!!!! But then again no wonder with such HOTTIES!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Seduced Von MeII was seduced along with Ash holy f..... s... this was hot My absolute favourite was the party in Ash's living room wanted to crawl into my Kindle

Kurzbeschreibung Club Destiny, #3 Ashleigh Thomas might have made the biggest mistake of her life. Uprooting life as she knew it, moving back to Dallas to be closer to her family, she finds herself much closer to the one man who she had never been able to say no to. Attempting to hide the fact that she moonlights as an erotic romance author, she quickly finds herself in his arms and his bed hoping hell fulfill some of those deep, dark desires she has always written about, but never experienced for herself. Alex McDermott has spent the better part of a decade trying to convince himself to stay away from the alluring Ashleigh, but when she moves back home, he finds out that hes no longer willing to resist the overwhelming desire she instills in him. But hes got a secret too one that might just push Ashleigh out of his life for good something hes not willing to let happen. It doesn't take long for the heat between them to ignite into a wildfire of lust, but can they stop hiding from each other and more importantly stop holding back?
