**Von Joy Fielding : See Jane Run** before purchasing it in order to gage whether or not it would be worth my time, and all praised See Jane Run:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend bis zum Schluss!Von Julia MahrEin Buch, das unter die Haut geht. Nicht umsonst ist Joy Fielding eine der

berhmtesten Autorinnen. Das Buch ist fesselnd, spannend und verstrend zugleich. ich habe es regelrecht verschlungen! Absolute Empfehlung!4 von 4 Kunden fanden die folgende Rezension hilfreich. Riveting! Von Ein KundeI couldn't put this book down from the moment I spied it at the country inn where I recently vacationed. From the very first word, it just sucked me in. I felt like I was inside Jane's mind the whole time, and it was a scary place. Reading this book is living Jane's nightmare. Jane struggles to beat tremendous odds, yet Fielding approaches Jane's plight with subtle humor throughout. I never stopped caring about or rooting for Jane. A must-read.3 von 3 Kunden fanden die folgende Rezension hilfreich. An excellent suspenseful book! Von Jill KramerI thoroughly enjoyed this book. It kept me interested from page one. I enjoy reading mysteries and this book is now my favorite. I haven't read books by Joy Fielding before and now I plan to continue to read more by her. I like how the author pieces everything together. I like books where you don't know what to expect and in the end I would never have guessed that things would go the way they did. I would recommend this book to anyone who enjoys suspense and a good mystery!

KurzbeschreibungJane Whittaker finds herself on a downtown street, her pockets stuffed with a large number of crisp \$100 bills, the front of her dress soaked with blood. She has no idea of her identity. After a terrifying night of hiding, Jane ends up in hospital. There, while undergoing a battery of medical tests, she is recognized by one of the nurses. Soon her husband comes to claim her. He is every woman's dream: popular, respected, wealthy, a tall blond doctor. He takes Jane home and vows to cure her with loving care and modern medicine. But Jane doesn't get any better. The medication seems to be turning her into a zombie, and she begins to feel that her private nurse is holding her a virtual prisoner in her own home, isolating her from friends who might help her recover. Can Jane remember her past in time in time to stop whatever it is that is happening to her, whatever made her lose her memory in the first place, whatever is trying to destroy her and her family?...From the Paperback edition. From Library Journal Prolific and popular novelist Fielding ( Good Intentions, LJ 7/89) has a special talent for writing taut, suspenseful--yet eminently believable--tales about women in crisis. Here, Jane finds herself in downtown Boston, her dress covered with blood, nearly \$10,000 in her coat pocket, and absolutely no idea of who she is. She seeks help at Boston City Hospital, where she discovers that she is the wife of handsome Michael Whittaker, a renowned surgeon. The doctor seems to be the perfect husband, and as Jane learns the details of their ideal life together she is unable to understand her suspicions of him. However, as Jane's amnesia persists, it becomes clear that her model husband is threatening her sanity in order to conceal a sinister secret. With realistic characters and nimble pacing, Fielding pulls the reader down a path of psychological suspense which ultimately leads to a surprising and satisfying conclusion. Literary Guild main selection.- Rebecca House Stankowski, Purdue Univ. Calumet, Hammond, Ind. Copyright 1991 Reed Business Information, Inc. Pressestimmen "Fielding handles her material with finesse; suspense is maintained at a high level, and the narrative is enriched by a cast of sharply drawn, articulate characters." Publishers Weekly
