Von Octavia E. Butler : Seed to Harvest (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seed to Harvest (English Edition):

Fesselnd und abwechslungsreichVon Kindle CustomerButler schafft es mit einfacher Sprache ein fesselndes Buch zu schreiben, dass vielschichtig und erfrischend anders ist.Jedes der Bcher in diesem Band springt in eine neue Zeitepisode und findet einen eigenen Rhythmus und eine eigene Stimme. Doch zusammen ergeben die vier Bnde dennoch ein

stimmiges Gesamtbild. Insbesondere gefiel mir wie authentisch die Charaktere und die Welt wirkten. Eine willkommene Abwechslung zur sonstigen, clich-lastigen Genrekost.

KurzbeschreibungIncludes the novels WILD SEED, MIND OF MY MIND, CLAY'S ARK, PATTERNMASTERThe Patternist series, collected here in one edition, chart an epic secret history that's roots lie in the dawn of civilization, and whose tangled branches reach far into our future.It begins when two immortals meet. Doro is an entity who changes bodies like clothes, killing his hosts; Anyanwu can change her very shape, absorbing bullets as easily as she can heal with a kiss. Their relationship, albeit as marked by hate as by love, will change the world.After years of selected breeding, their 'Patternists' are becoming increasing harder to control, and harder to hide from society. They will eventually bring humanity to the brink of extinction and beyond, into a nightmare that Doro and Anyanwu could never have anticipated.KurzbeschreibungIncludes the novels WILD SEED, MIND OF MY MIND, CLAY'S ARK, PATTERNMASTERThe Patternist series, collected here in one edition, chart an epic secret history that's roots lie in the dawn of civilization, and whose tangled branches reach far into our future.It begins when two immortals meet.
