Von V.C. Andrews : Seeds of Yesterday (Dollanganger) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seeds of Yesterday (Dollanganger):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. worst of

the series Von Ein Kunde I thought "Flowers" was a horrific masterpiece and "Petals" was unbelievably entertaining-- both 5 star books; but "Thorns" was passable (3 star), and this last one is easily the worst in the series. There was almost no plot to speak of, and it was as if the entire book was almost completely composed of filler. Cathy spends the entire book telling us and her errant children that "Your father and I will always be there for you. We love you and care about you, and only want you to be happy...." Chris is still the clueless bimbo he had always been. Jory is boring and too mister goody two shoes to be believed. Cindy is Cathy in "Petals" but she is too underdeveloped. Only the enigmatic Bart is still fascinating, as he had been in "Thorns." The villain of this book, Uncle Joel, spends much of the story in the background--all he does is look hateful and about to pounce--but he NEVER does anything. Also, if only Andrews had the skill to wrought this book in a third person omniscient, she would have had the framework to build a more satisfying narrative; but instead, what we have here is Cathy spending much of the book eavesdropping on the other characters to find out what is going on. 1 von 1 Kunden fanden die folgende Rezension hilfreich. just my opinion, but....?!?! Von Uschi Schmidt...the end of this book to me is soooo simple I had to laugh! Sry, no offense meant to those who had to cry reading the end, but within the few pages the loss of a beloved person repeated in family history, plus mental Bart turning into the good hero, without obvious reason suddenly realizing he loved Chris (besides his death - to me he's just making a good show and found a new way making money by TV preaching, that sounds more real to me), and becoming a preacher on TV (still have to giggle) - well, that to me was really a big joke. The first book, flowers, was really good, the rest for me was just the faszination of reading on a story you once began - if there is to know more, you want to know it. But I realized while reading that I wouldn't recommend these books to a friend. Book 2 and 3 were full of Cathy's really weird and spoilt character, the fourth one concentrating very much on descriptions on all the riches Foxworth had to offer (and, ref. to a comment above, Cathy's eavesdropping, good point, hihi). Still of course I'll be going to read the last book, to find out how it all began, and I hope Andrews managed to find some more realistic, down-to-earth way to show us why Corinne, Malcolm and his grey wife became as they were. Pardon my mistakes, I'm not a native English speaker. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Pure Sadness! Von Ein Kunde It is still hard for me to concieve the idea of Chris and Cathy gone forever, though it's been a whole year since I've finished the book. Cathy was my absolute favorite character, except for in "Thorns" (because she's such a bimbo in that one!). It's hard to think that all that they endured as children was for nothing. Even though they died at different places, it was still at Foxworth Hall, like Cory in "Flowers". Even though I don't like any of the ghost writer's stories (except for the Cutler series), I would like it if the person would attempt to continue the trilogy. I mean, what happened to Bart, Jory, Melodie, the twins, Tony, etc, after Cathy died? Did Bart leave Foxworth Hall? Did the twins grow up happily? What was Jory's and Tony's new baby like? Was it a boy or a girl? So many questions, so little of answers. I am truly filled with sadness, like a family relative died recently that I had known all my life. My favorite book was "Flowers" and the whole series besides "My Sweet Audrina", another true V.C. Andrews classic (the only Casteel book I really liked was Heaven, but I only liked the beginning but as things continued it got old). Any ways, I hope that a new Dollanganger book will come out, this one with the answers that I sought and some people may be looking for too. So, it is with tears that I say good-bye to the Dollangangers now, and thank fully I still have the first three books that I can read and attempt to forget the fourth one, for now.

Kurzbeschreibung Now a major Lifetime movie event Book Four of the Dollanganger series that began with Flowers in the Attic the novel of forbidden love that captured the worlds imagination and earned V.C. Andrews a fiercely devoted fanbase. They escaped their mothers hellish trap years ago, but a cruel history of lies and deceit has come full circle The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger familys darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Barts twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic Pressestimmen Praise for Viginia Andrews: `Beautifully written, macabre and thoroughly nasty... it is evocative of the nasty fairy tales like Little Red Riding Hood and The Babes in the Wood, with a bit of Victorian Gothic thrown in. ... What does shine through is her ability to see the world through a child's eyes' Daily Express `Makes horror irresistible' Glasgow Sunday Mail `A gruesome saga... the storyline is compelling, many millions have no wish to put this down' Ms London `There is strength in her books - the bizarre plots matched with the pathos of the entrapped' The Times Kurzbeschreibung Now a major Lifetime movie event Book Four of the Dollanganger series that began with Flowers in the Attic the novel of forbidden love that captured the worlds imagination and earned V.C.
