Von Fran Baker : Seeing Stars: A Loveswept Classic Romance before purchasing it in order to gage whether or not it would be worth my time, and all praised Seeing Stars: A Loveswept Classic Romance:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nett aber nicht ueberwaeltigendVon masterprinzipiell ganz nett geschrieben, keine wirklichen Logikfehler im Storyaufbau, sympatische Hauptpersonen und letztlich eine schoene Idee, eine aeltere Heldin sichgegenueber emanzipieren lassen. Aber manches passt einfach nicht zusammen und verdirbt den Lesegenuss: so arm das die Puppe aus Maisstroh gefertigt ist????? Die Blindheit von Nick ist zwar emotional aber nie praktischein Problem, wie das? Er laeuft unbekannte Huegel im Schneesturm ohne Hilfsmittel hoch und runter, er benutzt weder Stock, noch Begleithund und jetzt der killer: er erkennt die Kohlenmonoxidvergiftung blind. Das ist mir dann echt zuviel. Man muss ja kein Mediziner sein um eine Romanze zu schreiben, aber ein bisschen googlen vor dem Schreiben solcher Themen taete

gut. 3 Punkte gerade so weil es trotzdem etwas Spass gemacht hat, die Geschichte zu lesen.

Kurzbeschreibung Beauty is in the eye of the beholder in Fran Bakers seductive tale of first love and second chances. The rugged strangers cool, blue-eyed stare is the last thing Dovie Brown sees before she plunges into the icy river. After he saves her, Dovie figures she'll never see her arrogant rescuer again. But nothing about Dr. Nick Monroe is what it seems including the tragic secret that changed his life forever. What stuns her are the emotions he awakens, making Dovie long to become the beautiful, desirable woman Nick believes her to be. Ever since the accident that robbed him of his sight, Nick has slowly been retreating from the world. He doesn't want to need anyone, least of all this lovely, vulnerable woman haunted by her own sorrow. Dovie's passion is bringing him back from the edge. But the cost may be too high . . . unless Nick can find the courage to fight for a love he can feel and see with his heart a love worth every risk. Includes a special message from the editor, as well as excerpts from other Loveswept titles.
