Nothing specialVon Stefanie K.Seeing Stars was a short and fast-paced rockstar romance.I really enjoyed the setting and the beginning was very promising but due to the shortance of the book everything felt very rushed and I had the feeling I never got to know the characters very well. I kind of liked Walker but there was some depth missing in his character.

Madison was sweet but I had my problems and couldn't really connect with her. There was also a part of their romance which I didn't really liked and felt too constructed to be believable. The writing style was ok and fast-paced. The story was enjoyable but I am not going to read the other books in this series. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ganz Nett Von Julia "Seeing Stars" hat mich nicht hundertprozentig berzeugt. Wenn dargestellt wird, wieso Walker interessiert and Madison ist, hat sich die Geschichte fr meine Verhltnisse zu schnell entwickelt. Ich hatte auf mehr gehofft. Das Ende kam dann doch ein wenig schnell. Nichts desto trotz ein netter Zeitvertreib fr zwischendurch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurz, unglaubwrdig und manchmal sogar ein wenig langweilig Von Madison Wirklich viel gibt es zu diesem Buch nicht zu schreiben - es ist einfach nur seicht. Die Charaktere haben keine Ecken und Kanten, sie waren mir nicht unsympathisch aber ich kann auch nicht behaupten, dass ich sie mochte. Die Geschichte drppelt so dahin und ein Teil von mir fand dieses ganze "Non-Drama" sogar ganz nett und entspannend, doch auf Dauer fand ich die Story nur nervig... und dann diese Erinnerungen an frher, ehrlich? Die Verbindung zwischen den beiden Hauptpersonen ist ja ganz s und das htte man doch so schn entwickeln und ausarbeiten knnen. Ich glaube das Problem der Geschichte ist einfach, dass sie viel zu kurz ist und nie wirklich in die Tiefe geht. Man htte mehr rausholen knnen. Als Zeitvertreib "gnz okay".
