**Von Sarah M. Eden : Seeking Persephone** before purchasing it in order to gage whether or not it would be worth my time, and all praised Seeking Persephone:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. For the discriminate romance readerVon CarinaThe myth of Persephone is a very popular one in fiction but few authors can reframe it well. Having read my share of bad historical (especially regency) romance, I was almost afraid to read this book despite the great feedback. Now I'm so glad I did. Sarah Eden's version of Beauty and the Beast is definitely a

cut above the rest. Adam is not a typical romance hero but a man who actually reminded me of someone I've known. That's how real he was. Persephone was not the usual spunky bluestocking heroine either. She was warm, caring and strong in her own quiet way. There was no doubt she was the right match for him. This one's a keeper. My only wish would have been, a little less misunderstanding and a slightly higher level of sensuality. These two definitely deserved it!

Kurzbeschreibung When Persephone Lancaster receives a marriage proposal from the ill-tempered Duke of Kielder, she refuses and then reconsiders. The obscene sum of money he's offering Persephone would save her family from ruin. With her characteristic optimism, she travels to the far reaches of Northumberland to wed a greatly feared stranger. Lodged deep in a thick forest infested with wild dogs, the Duke's castle is as cold and forbidding as the Duke himself, a man with terrible scars on his body and his soul. But the Duke's steely determination to protect his heart at all costs is challenged by his growing attachment to his lovely and gentle bride. With caring persistence, Persephone attempts to pierce the Duke's armor and reach the man beneath. Yet he cannot tolerate such exposure, and his repeated rejections take their toll. But when grave danger arises, the Duke realizes he must face the risk of revealing his true feelings or lose the woman he cannot live without. A regency romance novel you won't want to put down.
